My Health

Thank you for enrolling in MyHealth

Here's what you need to know to move forward as a MyHealth patient.

How do I complete enrollment?

Please check the email account you provided during enrollment. You will receive an email invitation with instructions within 24 hours of enrolling.

What if I didn't receive my invitation email?

Please check your spam or junk mail folders in your email account. If you still can't find it, please call support at: (877) 621-8014 and ask them to verify your email address and resend the invitation.

Once I'm enrolled, how do I log in?

You can visit myhealth.mdmh.org any time to sign in to your account.

How do I find my discharge information?

Once you are signed in, click on the "Health Record" icon at the top of the page, navigate to "Documents" and access your discharge information.

Who do I call for help using MyHealth?

If you are experiencing trouble logging in to your account, need to change your email address or have other technical issues, please call: (877) 621-8014 or email: support@myhealthexchange.com. Support staff is available 5 a.m. to 5 p.m., Monday through Friday.

More information is available online at:
