## MARCUS DALY PHYSICAL THERAPISTS AWARDED CERTIFIED CLINICAL SPECIALIST DESIGNATIONS

Hamilton, MT, September 18, 2018 – Recently three physical therapists practicing at the Marcus Daly Rehabilitation Center were named board-certified clinical specialists in orthopedics by the American Board of Physical Therapy Specialties (ABPTS) of the American Physical Therapy Association (APTA). Specialist certification formally recognizes physical therapists who have demonstrated advanced clinical knowledge and skills in a specific area

of physical therapist practice.

Travis Williams, DPT, OCS, Jeff Simmerman, PT, OCS and Pete Dunn, DPT, OTR/L, OCS recently were awarded the designation of board-certified orthopedic clinical specialist and Mike Hattlestad, MS, PT, OCS, has held his designation for some time. In addition, Bill Ownbey, OTR/L, CHT is certificated and delivering advanced skill level hand therapies.

According to Pete Dunn, DPT, OTR/L, OCS, Director of the Marcus Daly Rehabilitation Center, “We now have a team of four board-certified clinical specialists in orthopedics. This designation is one of the highest available in our profession. We are proud of our team and their professional achievements. Each has demonstrated a sincere commitment to pursuing an advanced level of skill to best serve our patients.”

Marcus Daly Rehabilitation Services are committed to being a leader in providing outpatient orthopedic services. With four Board Certified Specialties in orthopedics, as well as a certified hand therapist, team pediatric therapists and many other specialty services, you can feel confident in choosing Marcus Daly Rehabilitation Services for your therapy needs.
